

OUR CAPABILITIES

5Star Specialty Programs is a managing general agent offering specialty underwriting expertise for numerous industry classes. We are a division of Crump Insurance Services and part of Crump Group, Inc., the nation's largest insurance wholesaler. Our programs include transportation classes, professional liability, workers' compensation solutions and more.

Each program is backed by 20 years of underwriting experience in the specific industry or discipline, demonstrating our commitment to and mastery of each business segment. We serve as a program administrator for numerous A rated carriers.

5Star has a clear advantage over our competitors because we offer a broad portfolio of solutions while providing a high degree of service to retail agents. Our programs include:
